agon the surface of a claim owned or possessed by mother.

Sec. 4. That where a tennel is run for the development of a vein or lode, or for the discov-ery of unives, the sewers of such tunnel shall have the right of possession of all veins or lodes within three thousand feet from the face of such tunnel on the line thereof, not previously known to crist, discovered in such tunnel, to the same extent as if discovered from the surface and locations on the line of such tunnel of veins or loses not appearing on the surface made by other parties after the commencement of the tunnel, and while the same is being prosecuted with reasonable diligence, shall be invalid, but fallers to prosecute the work on the tunnel for six months shall be considered as in abandon-ment of the right to all undiscovered veins on the line of said tunnel. Sec. 5. That the miners of each mixing dis-trict may make rules and regulations not in con-fict with the laws of the United Santes or with the laws of the State or Territory in which the district is situated, greening the location, man-or recording, smount of work necessary to

That the original locators, their hers, assigns, or legal representatives, have not resumed work upon the claim after such failure and before such location. Upon the failure of any one of sowaral roowners to contribute his portion of the expenditures required by this act, the co-owners who have performed the labor or made the improvements may at the expiration of the year, give such delinquent co-owner personal notice in writing or notice by publication in the newspaper published mearest the claim, for at least once a week for ninety days, and if at the expiration of injecty days after such notice in writing or by publication such delinquent should fail or rofuse to contribute his proportion to

writing or by publication such delinquent sheatifall or refuse to contribute his proportion to comply with this act, his interest in the claim shall become the property of his co-countrs who have made the required expenditures.

Sec. 6. That a patent for any land claimed and located for valuable deposits may be obtained in the following manner: Any person, association, or corporation authorized to locate a claim under this act, having claimed and located a piece of land for such purposes, who has, or have, compiled with the terms of this act, inay file in the proper land-office an application for a patent, under oath, showing such compliance. the in the proper land-office an application for a patent, under eath, showing such complinate, together with a plat and field-notes of the claim or claims in common, made by or under the di-rection of the United States Surveyor General, showing accurately the boundaries of the claim or claims, which shall be distinctly marked by monuments on the ground, and shall past a copy of such plat, together with a notice of such application for a patent, in a conspicu-ous place on the land embraced in such plat pre-vious to the filting of the application for a pat-ent, and shall file an affidiavit of at least two persons that such notice has been duly posted as ent, and shall file an adulavit of at least two
persons that such notice has been dnly posted as
aforesaid, and shall file a copy of said notice in
such land-effice, and shall thereupon be entitled
to a patent for said land, in the manner following: The register of the land-office, upon the
sling of such application, plat, field-notes, notices and adulavits, shall publish a notice that
such application has been made, for the period
of sixty days, in a newspaper to be by him designated as published marest to said claim; and he
shall also post such notice in his office for the
same period. The claim at the time of filing
this application, or at any time thereafter, with
in the sixty days of publication, shall file with
the register a certificate of the United States
Sarveyor General that five hundred dollars
worth of labor has been expended or improvements made upon the claim by thimself or grantors; that the plat is correct, with such further
description by such reference to natural objects
or permanent monuments as shall identify the

tors; that the plat is correct, with such further description by such reference to natural objects or permanent monuments as shall identify the claim, and furnish an accurate description, to be incorporated in the patent. At the expiration of the sixty days of publication the claimant shall file his affidavit, showing that the plat and notice have been posted in a conspicuous place on the claim during said period of publication. If no adverse claim shall have been filed with the register and the reserver of the proper land-office at the sxpiration of the sixty days of publication it shall be assumed that the applicant is entitled to a patent, upon the payment to the proper of herr of five dollars per acce, and that no adverse claim erists; and thereafter no objection from third parties to the issuance of a patent shall be heard, except it be shown that the applicant has failed to comply with this act.

Sec. 7. That where an adverse claim shall be filed during the period of publication, it shall be upon oath of the person or persons making the same, and shall show the nature, boundaries, and erient of such adverse claim, and all proceedings, except the publication of notice and making and filing of the affidavit thereof, shall be stayed until the controversy shall have been extiled or decided by a court of competent jurisdiction, or the adverse claim, waived. It shall be the duty of the adverse claim, and all proceedings, except the publication of notice and making and filing of the affidavit thereof, shall be the duty of the adverse claim, to commence proceedings in a court of competent jurisdiction, or the adverse claim, and a failure so to do shall be a waiver of his adverse claim. After such judgment shall have been rendered, the party entitled to the possession of the claim, or any portion thereof, may, without giving further notice, file a certified copy of the judgment with the certificate of the Surveyor-General that the requisite such indeffect, together with the certificate of the Surveyor-General that

DAILY RECORD

MINING LAW.

Laws of Congress Governing the Location, Holding and Working of Mining Chains Upon the Public Domails.

Bolow will be found an abstract of the Mining Laws of the United States, as passed by Gargerian and approved May 10, 1812. These are largerian threets and force, with this single exception of a portion of section 6, in reforemes to the relocation of elaims and nines located prior to the passage of the general mining law. The Art amending the section alined to will also be found, following the general law molifying section 5, so that a claim located prior to the May 1, 1810, and the general mining law. The Art amending the section alined to will also be found, following the general law molifying section 5, so that a claim located prior to the May 1, 1810, and 1, 1872, he may 1, 1810, and 1, 1874, a for miles the properties of the Public States of America.

An ACT to promise the development of the May 1, 1810, and 1, 1874, and make 1, 1811, and 1, 1811

seres for each individual claimant, but where placer-claims cannot be conformed to legal subdivision, survey and plat shall be made as on unsurveys diands: Provided, That proceedings now pending may be prosecuted to their final determination under existing laws, but the provisions of this act, when not in conflict with existing laws, shall apply to such cases: And provided also, That where by the seggregation of mineral land in any legal subdivision a quantity of agricultural land lass than forty acres remains, each fractional portion of agricultural land lass than forty acres remains, each fractional portion of agricultural land as the provision purposes.

See, II. That where the same person, association or corporation in possession of a placer-claim, and here a visit or lode included within the boundaries thereof, application shall be made for a patent for the placer-claim, with the statement that it includes such vein or lode, and in such case (subject to the provisions of this act and the act entitled "An act to amend an act granting the right of way to ditch and canal contex over the public lands, and for other purposes; approved July minth, ciphteen hundred and seventy a patent shall issue for the placer-claim, unluding such vein or lode, upon the payment of five dollars per acre for such vein or lode claim, and twenty-five feet of surface on each side thereof. The remainder of the placer-claim, or any placer claim not embracing any vein or lode claim, shall be paid for at the rate of two dollars and fifty cents per acre, together with all coats of proceedings; and where a vein or lode, such as described in the second section of this act, is known to exist within the boundaries of glober-claim, as application for a patent for lode, such as described in the second section of this act, is known to exist within the boundaries of a placer-claim, an application for a patent for such placer-claim, which does not include an ap-plication for the vein or lode 'claim, shall be construct as a conclusive declaration that the claimant of the placer-claim has no right of pos-session of the vein or lode claim; but where the existence of a vein or lode claim; but where the existence of a vein or lode in a placer-claim is not known, a patent for the placer-claim shall convey all valuable mineral and other deposits within the boundaries thereof.

tip-boundaries thereof.

Soc. 12 This the Surveyor-General of the
United States may appoint in each land district
containing mineral lands as many competent
surveyors as shall apply for appointment to suryey mining claims. The expenses of the survey
of vein or lode claims, and the survey and subthe following recurrements. Location must be identified marked an the ground so that its boundaries can be readily traced. All rectors of mining claims hereafter made shall contain the name or names of the locators, date of the location of claims located by referencine to some natural object or permanent monument as will identify the claim. On each claim located after the passage of this set, and until a patent shall have been issued therefor, no less that one hundred didlars worth of labor shall be performed or improvements made during each year. On all claims located prior to the passage of this act, and until a patent shall have here the continuation of the claims one hundred and stays proved the continuation of the claims and the survey. The commissioner of the General Land-Office and located prior to the passage of this act, ten dollars worth of labor shall be performed to improvements made ach year for each one hundred feet in length should be performed to the passage of this act, ten dollars worth of labor shall be performed for improvements made and the continuation of interesting the performed feet in length should be performed to the passage of this act, ten dollars worth of labor shall be performed to the passage of this act, ten dollars worth of labor shall be performed to the passage of this act, ten dollars worth of labor shall be performed to the passage of this act, and the passage of this act, and the passage of this act and therefore but where such as the passage of this act, and t and Receiver of the land-office, which statement shall be transmitted, with the papers in the case, to the Commissioner of the General Land-Office. The foes of the Register and the Receiver shall be five deliars each for filing and acting upon each application for patent er adverse claim filed, and they shall be allowed the amount fixed by law for reducing testimoty to writing, when done in Land Office, such fees and allowances to be paid by the respective parties; and no other fees shall be clarged by them in such cases. Nothing in this act shall be construed to enlarge or affect the rights of either party in regard to any property in controvercy at the time of the passage of this act, or of the act entitled "An ext granting the right of way to ditch and canal owners over the public lands, and for other purposes," approved July 26, 1866, nor shall this act affect any rightanguired under said act; and nothing in this act shall be construed to espeal, impair, or in any way affect the provisions of the act entitled "An act granting to A. Sutro the right of way and other privileges to aid in the construction of a draining and exploring tunnel to the Constock Lode, in the State of Nevada," approved July 25th, 1866.

SEC 18. That all affidavits required to be made under this act, of the set to which it is amendatory, may be verified before any other authorized to administer oaths within the land district where the claims may be situated, and all testimony and proofs may be stated by the officer taking the same, shall have the same force and effect as if taken before the Register sad Receiver of the Land Offices and effect as if taken before the Register sad section of such land just the land office on one such land; and the Register shall require proof that such notice has been force and effect as if taken before the Register sad specially and proofs may be taken as published nearest the location of such land; and the Register shall require proof that such notice has been given.

has been given. Sec. 14. That where two or more veins inter

has been given.

SEC 14. That where two or more veins intersect or cross each other, priority of title shall govern, and such prior location shall be satisfied to all ore or mineral contained within the space of intersection: Provided, however, That the subsequent location shall have the right of way through said space of intersection for the parposess of the convenient working of the said mine: And provided size, That where two or more veins units, the oldest or prior location shall take the vein below the point of unies, including all the space of intersection.

SEC 15. That where non-mineral land on occutignous to the vein or lode is used or sceupied by the proprietor of such vein or lode for mining or milling purposes, such non-adjacent surface ground may be embraced and included in an application for a patent for such vein or lode, and the same may be patented therewith, subject to the same preliminary requirements as to survey and notice as are applicable under this act to veins or lodes: Provided, That no location hereafter made of such non-adjacent land shall exceed five acres, and payment for the same must be made at the same rate as fixed by this act for the superficies of the lode. The owner of a quartz mill or reduction works, not owning a mine in connection therewith, may also receive a patent for his mill-site, as provided in this section.

also receive a patent for his minture, as provi-ded in this section.

SEC, 10. That all acts and parts of acts incon-sistent herewith are bereby repealed: Provided, That nothing contained in this act shall be con-strued to impair, in any way, rights or interests in mining property acquired under cristing laws. Approved May 19, 1872.

CHAP. CCXIV.—An Act to amend an Act entitled
'An Act to promote the Development of the
Mining Resources c United States.' Mining Resources c United States,"

Be it enacted by t and House of Representatives of the United States of America in Congress assembled, that the provisions of the Grifth section of the Act entitled "An Act to promote the development of the mining resources of the United Stated," passed May tenth, eighteen hundred and seventy-two, which requires expenditures of labor and improvements on claims located prior to the passage of said Act, are hereby so amended that the time for the first annual expenditure on claims located prior to the passage of said Act, and the extended to the tenth of June, eighteen h undred and seventy-four. Approved March 1, 1873.
